Refelcting on the Summer and looking forwead to the Autumn

Summer Reflections

Footprints: This has been a lively space, where we have enjoyed lots of different inside and outside activities. We have thoroughly enjoyed getting to know everyone, with lots of families coming regularly. Summer is a funny time as we see so many growing up - we wish you all the best with your new adventures

Family Fun: The summer sessions were a hive of activity with lots for all ages, It was lovely to see so many familiar faces as well as meet new people. We hope this all gave you a change of space and routine during the holidays - it did for us!
The cakes were also a great treat

Activ8: the group has enjoyed learning and exploring the bible alongside everyone in church, We continue to develop as a group and welcome anyone to join us on a Sunday morning

Messy Church: We love sharing ways in which God can be in your lives, and sharing this in such a creative, relaxed way. Thank you for all who come and join in the chaos!
Having a summer session was great and the ice cream sundaes went down a storm!
